PARATHOSI *A Celebration of Hellenic Heritage & Dance*

November 10th, 2022

Dear Reverend Clergy & Parish Youth Leaders of the Direct Archdiocesan District,

On behalf of His Eminence Archbishop Elpidophoros, I want to thank you for your interest in PARATHOSI 2023. As you already know, PARATHOSI will be more than just a celebration of Hellenic Heritage & Dance. It is an opportunity for all the Youth and Young Adults of the Direct Archdiocesan District to come together to celebrate our faith, culture, and heritage in a spirit of Orthodox fellowship.

This packet will serve as your informational resource as we continue to make preparations for the big weekend in January. Here, you will find a tentative schedule of events, guidelines, the cost of participation, and how our divisions are arranged, among other things. We hope that you will share this information and promote this event with your dance groups, their families, and all youth in your parish so that we can give them the opportunity to participate. We also strongly encourage your parishioners to come and spectate the event, free of charge, in order that they support the performers with their presence.

As we have done in years past, we are making every effort to keep participation costs down, while at the same time offering the best possible experience to our participants as well as to all those present. This year, we secured the beautiful Long Island Marriott in Uniondale for all performances in all Divisions, as well as the Awards Glendi.

Our PARATHOSI Board and I are extremely excited about this year's event, and very much looking forward to seeing your community participating. Should you have any questions, please feel free to reach out to one of our Board members at PARATHOSI@goarch.org.

Respectfully,

Constantine Pantelias
Director
Office of Youth and Young Adult Ministries

- All teams must have dues paid in full no later than December 8th, 2019 in order to participate in PARATHOSI 2020.

Judging:

OUR VISION: *To present authentic Greek Dance in as “natural” a setting as possible.*

We strive to learn, and present, authentic Greek dances that represent what was, or what is, being danced in the villages and regions we present, by the people who live or lived in those villages and regions. We shy away from overly choreographed dances that are not based on and grounded in the tradition. Our best teachers and styles to emulate are those of the older people in the villages and towns, as they perform these dances for themselves at their own festivals and gatherings.

Competition Format:

- 1 suite per team or 1 collection of dances per team
- Time frame for each division will be as follows:
 - **Division 1 & Seniors:** 10 – 12 minutes
 - **Division 2 & 3:** 8-10 minutes
 - **Division 4:** 5-7 minutes
- Staging – Entrance, exit, coordination, transitioning from one dance to another
- There will be a weighted point system:
 - Correctness of Dance – 10 points
 - Correctness of Style – 10 points
 - Group Synergy – 5 points
 - Preparation – 10 points
- Points will be awarded on the respective scale in each category
- Total number of points that can be awarded is 35
- The judges will also have the ability to award half points when necessary.
